2027 Season Cruises

NEW FOR 2027

Sehat Elona is undergoing an upgrade at the end of this year - ready for the 2027 season . Our new additions are - a private bathroom in each cabin - even in Comfort Share and all cabins are air conditioned. Sehat Elona offers Comfort Private doubled occupancy cabins, some with the options of extra beds , Comfort Share Twin cabins and Comfort Share -4 bunk beds - cabin.
Also new for our- Sehat Elona Adventures is a short but informative program of Introduction to Whalesharks and Manta Rays - that shares some interesting facts about these magnificent creatures - to enhance the experience of encountering them on our voyage.

OUR COMMITMENT TO OUR GUESTS

Sehat Elona was designed with modern travels in mind – offering safety and exclusive comfort for her guests. The ship has 10 cabins. All with private bathrooms and AC - with a maximum capacity of 24 passengers.
Sehat Elona's top floor cabins have fantastic sea views while two of the master double occupancy cabins come with their private terraces.
Sehat Elona Adventure's commitment to our guests is to make this 4 day 3 night unique journey a memorable one where YOU CAN MAKE NEW FRIENDS FOR A LIFETIME.
Our small guest number is the ideal size for guided land, sea tours and excursions - for truly sharing the experience. Our nightly dinners on board or on land are designed to develop bonds between our guests sharing the same adventure. Each cruise has a dedicated WhatsApp group for sharing information, videos, and pictures of the cruise.

OUR COMMITMENT TO SAFETY

Sehat Elona is a fully licensed passenger ship with documentation renewed every 3-12 months by the Transport Ministry and local Harbor Master’s offices. Our Captain , Officers and crew are competent seaman and have many years of sailing experience.

Sehat Elona is equipped with all navigation electronics as well as EPIRB and AIS.
She has 2 automatic Lifrafts for 45 person capacity and lifejackets for every person on board and fire extinguisher for every part of the vessel.

Destination **Overview**

Destination Lombok, Indonesia

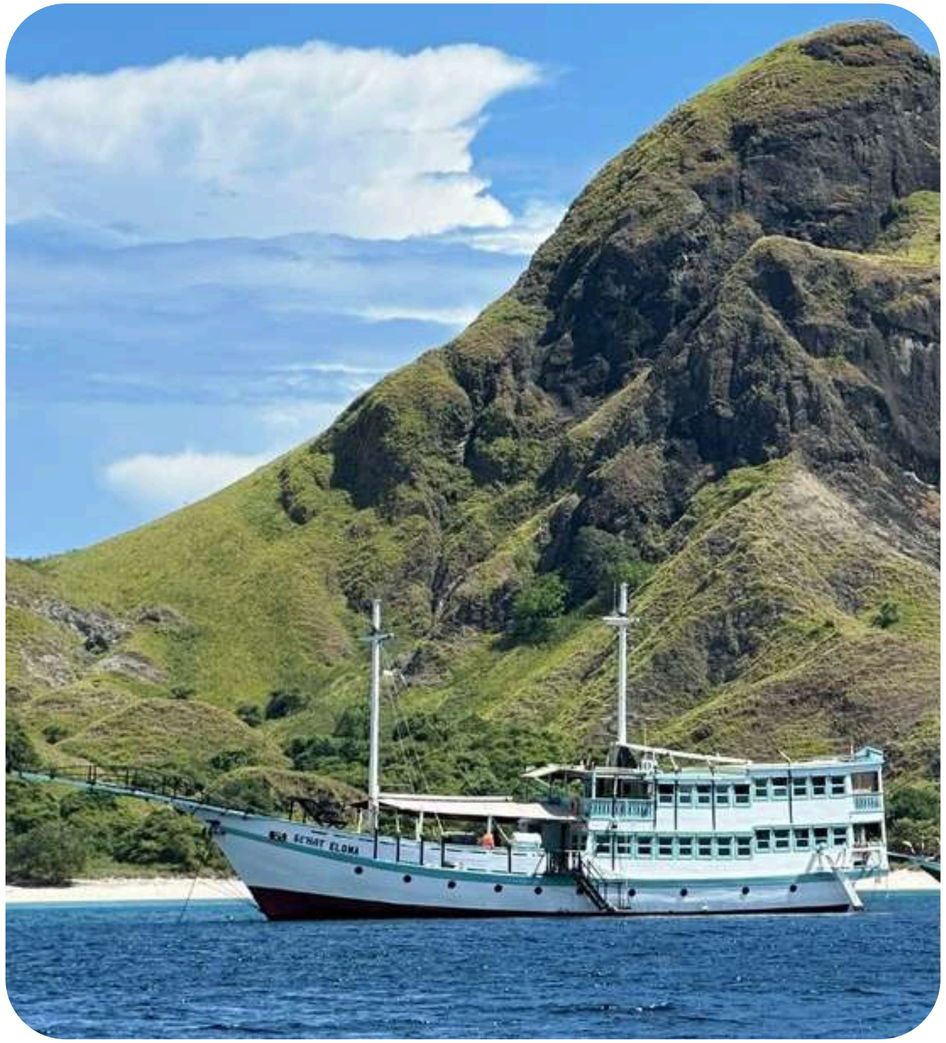
Located east of Bali, Lombok offers pristine white-sand beaches, majestic Mount Rinjani, rich Sasak culture, and serves as a gateway to Komodo adventures and unforgettable marine experiences.

Destination Sumbawa, Indonesia

Located between Lombok and Flores, Sumbawa offers untouched beaches, world-class surf breaks, whale shark encounters, dramatic savannah landscapes, and authentic island culture far from the crowds.

Destination Labuan Bajo

Located on the western tip of Flores, Labuan Bajo is the gateway to Komodo National Park, offering stunning sunsets, island hopping, diving adventures, and encounters with the legendary Komodo dragons.



Sehat Elona Phinisi Ship

Our phinisi ship - Sehat Elona - was built in 2020 in Kalimantan from exotic ironwood only found in Indonesia. These world heritage boats were connecting the 17,000 island archipelago - now called Indonesia - for centuries. The 4 years of boat construction was done by local craftsmen and overseen by our team.
Sehat Elona was designed for modern travels in mind - giving safety and exclusive comfort for her guests. The ship has 10 AC private cabins and in suite bathrooms. Each cabin on the top floor has fantastic sea view and the two master double cabins with their private terraces
